Culley's Bakery: A Legacy of Quality and Tradition

Welcome to Culley's, a family-owned bakery with nearly a century of tradition in Perth. Starting as a milk bar in Cottesloe, Culley's has evolved into a Fremantle icon, known for its exceptional pies and pastries. Our commitment, 'Never compromise the quality,' is evident in our age-old recipes and dedication to local, quality ingredients. From our secret family gravy recipe to our homemade pastry made with 100% local Millers flour, every Culley's pie is a slice of Western Australian heritage.

Unmatched Quality and Service

At Culley's, our commitment to quality is evident in every pie. Filled with premium Angus beef from the Stirling Ranges and free-range chicken from Mount Barker, our pies are a testament to our dedication to superior ingredients and traditional baking methods. This commitment extends to our service, our team goes above and beyond in every aspect, from baking to customer support. Partnering with Culley's means more than exceptional pies; it's about joining a family that is as dedicated to your satisfaction as we are to maintaining the superior taste of our products, regardless of rising costs.

Why Choose Culley's?

Choosing Culley's means more than just selecting a food supplier. We're all about bringing together like-minded businesses under a shared goal: to support local industries, ensure exceptional quality, and create memorable experiences that reflect our community's values.

While our pies, sausage rolls and pasties are a standout, we also offer a variety of wholesale and catering choices to suit every taste. From hearty rolls and fresh sandwiches to homemade sweet treats, our menu is designed to satisfy and delight.

Partnering with WA's Best

Culley's proudly partners with renowned WA suppliers to bring you quality food that is fresh, local and made with love, not machines.

We take pride in our partnerships with outstanding WA suppliers, like Ryan's Quality Meats and Millers Flour – distinguished as the only WA mill still milling its own flour. Our dishes also feature delicious Borella Cheese from Oakwood and vegetables sourced directly from local markets

We invite you to join our growing list of WA partners and experience the Culley's difference: homegrown, handmade, and wholesome.

Trusted by leading brands

Join the Culley's Family
